Federal Aid Is Asked For Storm Drain

Paving Of Grand View Ave. Also Proposed In Resolution Adopted By Council

Another step toward completion of the city's flood control and water conservation system is proposed in a resolution approved Wednesday night by the City Council requesting Federal funds for the East Grand View storm drain and paving project.

The resolution calling for an allotment of \$10,521.20 for material and labor, specifies construction of drainage facilities which would eliminate such damage in the section of the city south of Grand View and in Arcadia that is the annual result of flood runoff from the Little Santa Anita and smaller ravines. The water that has in the past run to waste down the gutters would be diverted by the drain into the spreading grounds over the underground basin.

An oil macadam surfacing is called for on Grand View avenue between Santa Anita avenue and a point about a hundred feet west of Foothill avenue.

Both the resolution and detailed plans of the project have been forwarded to State CWA administrators. The city proposes to furnish road equipment, a minimum wage of 50 cents an hour for unskilled labor. Semi-skilled men would receive 80 cents, and skilled \$1.10. A total of 15,588 man hours would be necessary for the project's completion.

Miss Elizabeth Steinberger was present at the meeting to request the city's aid in financing the maintenance of the public school playground throughout the summer, and over weekends by employment of a physical education instructor. The matter was referred to a committee for consideration.

World Tourist To Give Incidents Of Interesting Trip

On Tuesday Sierra Madre will entertain Miss Ruth I. Seabury, author, world-traveler and missionary executive. She comes to the city of the Wistaria to speak to the Kiwanis Club and the Congregational Women's Society on her experiences and reaction to world customs.

Speaking of her trip around the world in 1929 she says: "The high light of my whole trip around the world was my visit to India's great man—Mahatma Gandhi. In China I met four young ladies of the new educational system who told of their hopes and problems."

Miss Seabury is the author of "Our Japanese Friends," "Do You Like Our Country?" a young people's discussion course on India) and "Introducing Young China."

She will speak to the Kiwanis Club, Tuesday at 12:15 and the Women's Missionary Society at 2 p.m.

MENTAL ATTITUDE IMPORTANT IN STRAIGHTENING OUT THE TANGLED ECONOMIC PROBLEM

Mental attitude, mental capacity, is the necessary element for economic recovery in the United States, H. B. Adams, of the speaker's bureau of the First National Bank of Los Angeles, told the Kiwanis Club as the members gathered for their annual open air luncheon meeting under the Wistaria vine on Tuesday.

Speaking on the general subject of the power behind the combined mental forces of the millions of American citizens, Mr. Adams said: "The wisdom not of mere hundreds, not thousands, but of millions—that is the electric dynamo that will pull us out of the depression. History gives us a hundred percent perfect record of recovering from about fifteen other major slumps, and economists tell us that two of those periods were even worse than the present one."

"It is a mistake to consider ourselves the 'victims of economic circumstance.' Until I have lifted to the last ounce of my strength, called on the last resources of my will and brain, until I've done my utmost, I am not the victim of anything but myself."

Stating as his belief that the younger generation has the task of righting the ills of the world, the speaker went on, "It is impossible for us to hand chaos down to 20 million youngsters between 16 and 24 years of age who won't accept chaos, and who feel able to tackle any situation. 'There are always three gen-

Four Properties Sold; Contracts Are Awarded For Homes

Mr. and Mrs. Sidney Jewell of Los Angeles have just purchased a lot opposite the residence of Col. H. B. Hersey in the Alta Sierra Madre area. The Jewells have already completed their plans for building and expect to start operations immediately after the Wistaria Fete.

The sale was made through the office of Realtor Humphries who also reports the sale of the lot at the corner of Auburn and Auburn to John Froehlich, of 145 West Carter avenue. Recent purchases in Pegler Park include three lots to Dr. R. W. Shaw, of Los Angeles, and two lots to Mrs. Amy Julius, of Pasadena.

Aged Woman Takes Gas To End Troubles

Despondent over years of stone deafness and ill health, Miss Lorena Hardenbergh, 63 years old, of 445 East Grand View avenue, covered her head with a blanket Tuesday night, clutched a hissing gas tube to her mouth, and lay down in front of her fireplace to die.

Chief of Police Gordon MacMillan discovered the body Wednesday afternoon at 2 o'clock, after being notified by W. J. McDonald, next-door neighbor of Miss Hardenbergh, that the aged woman's morning paper had not been taken in as usual and that the 11 o'clock mail delivery was still in the mailbox.

Edward J. Hardenbergh, a brother living in San Francisco, is the closest relation surviving. The body was taken to Grant Parlor pending funeral arrangements.

Treat For Grammar School Pupils As Vacation Begins

Friday, March 23rd, the last day of school before the Easter vacation, should prove to be a gala day for the children of Sierra Madre. For the Parent-Teacher Association has engaged Major Gustav Schoof, world traveler, war correspondent and ex-military police of several countries, to entertain the children at 1 o'clock in the school auditorium. Major Schoof has spent many years as a member of the mounted police of South Africa, Mexico and Canada; was war correspondent for both Canadian and U.S. newspapers and has also served as fish, game and forest guardian of Alberta and British Columbia. He brings with him a museum gathered from all parts of the world—animal skins, robes made by the African Zulus, and many other interesting relics.

The lecture has been chosen as the Association's Easter gift to the children but the parents are also cordially invited to attend without charge.

Heart Attack Proves Fatal To H E Allen

Banker Stricken While On Way To His Home And Lives Only Few Days

Harold E. Allen, for many years president of the Sierra Madre Savings Bank and resident of the city since 1919, died at his

Harold E. Allen

home at 139 Bonita last Thursday night from a heart attack. He was first stricken while walking from the bank to his home a few days before his passing, and at the time he was first confined to bed it was not thought that he was critically ill.

Born in Bath, England, January 9, 1865, Mr. Allen came to California while still a youth. Last October he celebrated the 50th anniversary of the day he detained at San Gabriel station to take up his lifelong residence in the West.

Prominent in Pasadena civic life before moving to Sierra Madre, Mr. Allen was one of the founders of the Sierra Madre-Lamanda Park Citrus Association. After formation of the association in 1900, he served as its first president for three years. In 1903 he entered the banking business in Los Angeles and later became a banker in South Pasadena. In 1926 in Sierra Madre he served as Master of the Masonic Lodge and following that he was treasurer for three terms. He had his chief recreation in the cultivation of his gardens surrounding his home here.

Although Mr. Allen was not one of the founders of the local bank, he bought the controlling interest in it soon after coming to the city, at which time the institution became an independent state bank.

The son of William and Emily Allen, who owned the extensive Sphinx Ranch in Pasadena, Mr. Allen is survived by his widow, Mrs. Cecily A. Allen; two daughters, Cecily Janet and Mary Allen; a son, David Allen; five brothers, Edgar and Walter Allen of Pasadena; Sydney Allen of Lindsay; Bernard Allen of Covina and Percy Allen of Los Angeles; and two sisters, Annie H. Allen of Pasadena and Mrs. Edith L. Bowring, of Charter Oak.

Masonic funeral services were conducted at the local Masonic Temple Saturday afternoon at 3 o'clock, with cremation at Mountain View in Pasadena. Interment will be at San Gabriel. Pall bearers were Milton Steinberger, Carleton Pegler, W. A. Evans, Harold McMillan, Donald Ashbury and J. D. McCaris.

Mrs. Barlow To Show Travel Pictures At The Parish House

Another evening of moving pictures, shown and described by Mrs. W. Jarvis Barlow will be given at the Parish House of the Church of the Ascension at 8 p.m. Thursday, March 22. The moving pictures will show the Century of Progress exposition. Some were taken by Mrs. Barlow and others by Burton Holmes, noted travelogueur. The evening is free to all and the public is welcome. The intention is to have a pleasant community gathering to spend a leisure hour.

Bishop Gooden To Confirm Class At Ascension Church

Bishop R. B. Gooden will visit the Church of the Ascension next Ascension Day, May 10, for Confirmation. Classes in preparation have begun Mondays at 4 and 7 p.m. at the church.

Paschall Is New Head Of City's Bank

Milton Hollingsworth Elected Director To Succeed Dr. Charles W. Yexra

Jack Paschall was elected President of the Sierra Madre Savings Bank at the meeting of the board of directors on Tuesday, succeeding the late Harold E. Allen. Milton Hollingsworth, vice-president of the bank, was elected to a vacancy on the board caused by the resignation of Dr. Charles W. Yexra, which was accepted with regret. Another vacancy on the directorate was caused by the passing of Mr. Allen. He was the largest stockholder in the bank and his stock will pass to his estate. It is probable that it will designate someone to represent this interest on the directorate.

Mr. Paschall, the new president, has been a resident of Sierra Madre since September, 1926. With his family he came here for a rest and was so taken with the city that he built a modern ranch home on East Highland avenue. It nestles in an orange grove. During his residence here he has been active in all forward looking civic movements. He is the father of several children.

He has had a wide business experience, being associated with several corporations and is president of the Paschall-Gill company, for 25 years general agent for the Pacific Mutual Life Insurance company. The company this month is celebrating its silver anniversary in this capacity.

Mr. Paschall was serving as treasurer and a director of the Jonathan Club in Los Angeles when the magnificent new home of that organization was built on Figueroa street. He was one of the organizers and a charter member of the Masonic Club, is past master of the Los Angeles Masonic Lodge and served for several years as secretary of the Masonic Temple Association.

Clear Decks For New NRS Relief Plan

More Men Dropped From Local Projects As Re-registration Begins

At the rate of from 11 to 22 per cent a week the entire local CWA forces are being dissolved to clear the way for President Roosevelt's new relief program. The combined strength on the Central avenue work and on the settling basin project has dwindled from an original 325 men to approximately 200, with a score of local men affected.

For the purpose of obtaining reclassification for future employment under whatever new plan is arranged by the government, men are instructed to call at once at the office of the National Reemployment Service at the Sierra Madre City Hall. This office is open today and Saturday for the convenience of those registered under the CWA and those who have not already gone to the Arcadia district headquarters of the NRA for reclassification.

State Director Macauley of the Civil Works Administration says "there is the possibility that the new program which President Roosevelt has announced will be inaugurated in California even before demobilization of the CWA is completed."

Arcadia is now the PWA registration center for this district, as well as headquarters for women cooperative workers who formerly were employed by CWA funds in the various nearby cities. Registration of men takes place every day from 8:30 a.m. to noon, and from 1 to 5 p.m. at the Arcadia City Hall.

The Women's Cooperative unit which was in operation here for some months was disbanded as a local enterprise in keeping with the government policy of cutting down all such projects.

Assemblyman From This District To Seek Re-election

Assemblyman Frank G. Martin of Altadena, who represents the 48 assembly district of which Sierra Madre is a part, announced his candidacy yesterday to succeed himself. He will again seek the Republican nomination at the primary election of August 28. He was one of the most active members of the last assembly, was appointed to several important committees and commissions and sponsored many progressive measures.

Believe It Or Not--Some One Stole A Wildcat

"OLE HOSS" Hoey once stole a red hot stove—in a play—but if there is anything funny in stealing a wildcat, Al Plummer of Corum's Camp, would like to know. Al drives the mule pack train up the Sturtevant trail and he says all his mules and burros have joined him in a merry "hee-haw" at the expense of the thief who took the pesky varmint to his bosom.

It happened this way. Al bought a wildcat from a trapper. He decided to raise it as a pet, but being wise he constructed a nice roomy cage in back of the Corum stables, carefully doing his petting from the outside. The cat snarled and bit and scratched. Then one morning a week ago Al found his wildcat missing. The cage was intact, the padlock on the gate had been picked. Strange as it seems, and believe it or not, an ingenious burglar had stolen Al's pet.

Four One-Act Plays Will Be Presented

Wide Variety Offered In Drama League's Second Offering Next Friday

A week from tonight the Municipal Drama League will present its second major public production on the stage of the public school auditorium. The program varies from the spry wit of George Bernard Shaw's "Dark Lady of the Sonnets" to the irony and tense drama of "What Never Dies," from the farcical "Girl to Order" to the satire "Suppressed Desires."

Offering entertainment that will appeal to all ages and classes appreciative of fine drama, the League's program of one-act plays is to be conducted as a tournament in order to choose the best play with which to represent Sierra Madre in the Southern California Tournament in Santa Ana next month. Out-of-town judges, selected for their critical ability and complete impartiality, will include Thorval Tunheim, dramatic critic of the Pasadena Star-News and representatives from the Pasadena Community Playhouse.

Tickets are now on sale at all downtown grocery and drug stores, and civic-minded theatre goers are urged to purchase seats early. The price has been reduced to a minimum which offers more economical entertainment than has ever been afforded in Sierra Madre previously. However, this low price can only be maintained in the future if a large number supports the League.

All of the plays being staged next Friday are to be produced in front of plain drapes, with no pretense at scenic effect. It was decided that this method would insure greater fairness in choosing the tournament entry on play merit alone. Similar procedure is followed in Santa Ana, no elaborate stage effects being allowed to overshadow dramatic merit.

At the Wednesday night League meeting in the Old Barn Studio R. O. Caukin was chosen League librarian, and Earl MacPherson elected chairman of the ways and means committee. Following the business portion of the meeting, the Workshop session provided instructive entertainment to the membership. R. O. Caukin staged several play-bits, including Evelyn Solury and John Gray in a scene from Julius Caesar and Rosa Karpf and Bob Ward in another Shakespearean fragment.

In the continued drive for members the League officers emphasize the value of the weekly Wednesday Workshop, which combines dramatic instruction with amusement and entertainment. Every week members will stage short plays, play-bits and readings that they have rehearsed during the week, and constructive criticisms will be offered by other members and by the instructor. The meetings are under the supervision of Doug Williams, League production manager.

Immediately after presentation of the one-act play group March 23, plans will be carried out for the League's program to be staged for the Woman's Club.

Nature Provides Gorgeous Setting For Opening Of City's Annual Festival

Visiting Thousands Find Sierra Madre Ablaze With Color As Fete Opens

The Alladdin Lamp of nature waved a wand to order perfect Sierra Madre weather to mark the opening of the Wistaria Fete. Clear skies, silhouetting the mountains and the San Gabriel Valley in velvety and colorful loveliness, served an unmatched setting for the opening last Saturday and the ensuing days. The Volunteer Firemen contributed to the general beauty by decorating Central avenue, from Sierra Madre avenue to Baldwin, as well as North Baldwin, with vivid striped banners, to provide an atmospheric gateway to the city.

But Old Mother Nature herself has proved the most skillful artist in devising breathtaking effects throughout the city with which to delight those bound for the Fennel estate on Scenic Point. First she cleared the air so that at practically any time during the days Mt. San Jacinto, and the San Geronio peak are all in view, with the intervening valley laid out like a miniature relief map. Then she has, with

plenty of warm sun and Spring weather, brought out the blossoms on the flowering peach trees, the almond and the cherry trees and the multitude of wild and cultivated flowers that adorn the gardens and parks of the city, while the air is heavily scented by orange and lemon blossoms.

The press preview luncheon Friday was a notable success, with a number of noted newspaper men present to commend the city on one of the most beautiful fetes in history. Saturday was the official opening day of the festival, and a continuous procession of cars drove northward through the city in the early hours of the day. Sunday saw the largest crowd of the week, with parking facilities crowded near capacity.

Chamber of Commerce representatives from the San Gabriel Valley Chamber were present Monday as guests of local Chamber members. John S. Billheimer, president, was chief host for the occasion. Tuesday the Kiwanis Club held its annual luncheon meeting under the big vine, having in attendance a number of guests from Altadena, South Pasadena, Los Angeles and Glendale. President William Middough presided over the meeting and acted as master of ceremonies.

St. Rita's Altar Society was in charge of the Fete Wednesday, Mrs. Woodson Jones acting as sponsor and hostesses including Mesdames Frank Bryan, Charles Collins, Ann Connor, J. Borradale, Frank Spencer, William Colligan, R. Cameron, A. E. Gourdeau and Carl Graf. Mrs. William Burns, Mrs. Ralph Solury and Mrs. Ann Connor had special tables, and entertained out-of-town guests.

Also Wednesday, the Woman's Club held its regular meeting at the vine, with Queenie Boardman, chairman of the roadside bureau of the Los Angeles Chamber of Commerce, as guest of honor and chief speaker. Another noted guest was Big Chief White Horse Eagle, 102 year old Osage Indian chieftan and lecturer.

Yesterday was American Legion Auxiliary Day, at which time distinguished guests included Mrs. Ernestine Aylward, department president; Mrs. Beatrice Trumbull, fourth area president; Mrs. Irene Baker, Eighteenth district head, and Mrs. Laura Smithson, president of the Los Angeles County Council. Mrs. Leila Embree, head of the local auxiliary post, welcomed guests, and members of the junior auxiliary attended.

Hostesses for the Auxiliary's Fete day included Mesdames Edith Woodruff, Grace B. Caukin, Bertha Irvine, Dorothy Shetler, Maybelle Barker, Lay Miller, Ellen Evans, Benjamin Stinson and Miss Minnie Stinson.

Today is to be Congregational Church Day. Among hosts and hostesses for the Congregational Church will be Mr. and Mrs. E. D. Burbank, Mrs. E. E. Bacon, Mr. and Mrs. F. H. Hartman, Rev. and Mrs. W. H. Hannaford, Mrs. W. J. Miller, Mrs. Fred Hooker Jones, Mrs. Arthur Johnson Jr., and Rev. A. O. Pritchard. Monday is given over to St. Catherine's Guild. The Order of the Eastern Star will be host Wednesday, March 21; March 22 is Elks Day, while Friday, March 23 will be in charge of the District Federation of Women's Clubs.

The Sierra Madre Woman's Club would be very glad to have any of the younger women of the community assist them in serving at the vine.

REAL SIDE OF LIFE AND INJUSTICE SUFFERED BY MASSES ENGAGES WRITERS

Twentieth century literature has experienced a steady "swing" to the left," breaking away from the artificial mold of the preceding era, stated Harold D. Carew in his talk on "The Trend of Literature" at the Forum meeting in the City Hall Tuesday night.

Portraying the grim romantic side of life, nineteenth century literature idealized that which has come to be called rugged individualism and the seldom made mention of economic subjects is true perspective, Mr. Carew pointed out. This had a tendency to teach the American people that obedience to capitalism which has kept them in line while being exploited by their heroes.

Wait Whitman was one of the first to depart from that method, he said, and portrayed the real side of life—bringing the people to a realization of the injustice of ten percent of their number amassing fortunes at the ex-

pense of the other ninety percent.

Following Mr. Carew, Dr. G. T. Malaby, Pasadena candidate for the Democratic nomination for governor, spoke in favor of his candidacy. His theme, of "Planned Economic Progress," incorporated 33 objectives which he promised to strive toward in gaining a New Day for California. Included were one-third tax reduction, unemployed insurance, self-liquidating reconstruction corporation to employ jobless, guaranteed wages, and the theory of human welfare over accumulation of wealth.

The Forum Society will be addressed next Tuesday evening by Thomas D. Campbell, the largest wheat grower in the world who last year was called to Russia to advise the Soviet government. Also on the program will be Senator Herbert C. Jones, of San Jose, who will speak on his candidacy for governor on the Republican ticket.

Dr. and Mrs. John Cobb Worley took those present on an imaginary tour of the Mediterranean by means of colored slides and a descriptive lecture. Mrs. A. A. Birney, a visitor to Southern California, gave a talk in which she said that the present scheme of parent education being carried out by the P.T.A. is really the keynote on which the organization was originally founded. Mrs. Birney is a sister-in-law of Mrs. Theodore Birney, co-founder of the National Congress of Parents and Teachers.

During the luncheon hour children from the school here rendered "The Last Roundup," and "Home on the Range," in cowboy costumes. Miss Elizabeth Steinberger, principal, and Mrs. Warren O. Preston, president of the P.T.A. unit in this city, were among those present.

TOOTH TEMPLAR CONVENTION WILL BRING 600 CHILDREN OF THE VALLEY HERE TOMORROW

Six hundred Tooth Templars from schools throughout the San Gabriel Valley district will meet at the Sierra Madre public school tomorrow and hold friendly competition in skits, operettas and playlets portraying the value of dental hygiene. The local school at first had planned to stay out of the competition, as the children from here last year won the prize award, but Valley Templar sponsors gave instructions that all delegations should compete.

The best presentation, chosen by the judges, will represent the San Gabriel district in the Los Angeles County convention in April. Mrs. Ellen Coll Barker, local sponsor and advisor, states Judges are to include Mrs. Hugh A. Thatcher, Mrs. J. L. Ward, Mrs. B. L. Roberts and Mrs. Harry Pike.

Officers of the Sierra Madre Templars this year are Anna Sue Adwell, president; Lorne Pratt, vice-president; Barbara Gerschler, secretary; Stanton Irvine, junior health officer; Betty Lou Seyler, junior nurse; and Jean Spoelstra, sergeant at arms.

The convention begins with an opening song and yell, led by Dorothy Henneman of South Santa Anita, followed by a word of welcome from Miss Steinberger, and a response by Anna Sue Adwell and greetings by Mrs. Emma P. Durbin, chief of the oral hygiene section of the Los Angeles County Health Department. Then the local pupils will sing "Irish Templars" in honor of St. Patrick's Day and the Spadra children will present a playlette, "Why Billy Joined the Tooth Templars."

In order of presentation the rest of the events include songs

Drunk Driving Held Responsible For Accident Increase

Warning all drunk drivers that they may expect no leniency in the hands of the courts, E. Raymond Cato, chief of the California Highway Patrol, noted this week that there has been an alarming increase in fatalities involving drunken drivers since prohibition repeal.

"The highway patrol," he states, "has watched with growing concern the alarming rate of increase in the accidents in which drunken driving was involved. I am disappointed at these figures, inasmuch as it was felt that prohibition repeal would not only improve crime conditions, but would result in less drinking."

Fatal accidents due to "drunk driving" increased by 40 percent over corresponding months in 1933, and all types of accidents have increased 26 percent, Cato said.

Men's Council At Episcopal Church Discuss Politics

Dean Arnold G. Bode has inaugurated a series of weekly informal men's councils at the Parish House of the Church of the Ascension. Governmental experimentation in providing the jobless with small farms on which they may raise the necessities of life and earn a decent living will be carried on in California under the direction of Ross G. Gast, who has been appointed State manager for the Federal government's subsistence homesteads. Gast is a member of the agricultural staff of the Los Angeles Chamber of Commerce.

In 1933 the Federal and local taxation figure for the State of California amounted to \$488,000,000. Surprisingly this sum was greater than the total sales of any single retail group in the State in the same year, although it was a decrease of 18 percent from the 1929 tax figure of \$597,131,000.

There will be no Noble peace prize for 1933. Reason: In many parts of the world war is closer than at any time since 1913. Germany is the center of European troubles. The way the wind blows was shown by the note the great powers sent her recently saying "hands off Austria." It looks as if, in case Hitler starts trouble, everyone will gang up on Germany and bring the war to a quick and definite ending.

Recent activities in the international money market have lent weight to the belief that it will be impossible to achieve currency stability without definitely relating the values of gold and silver. Silver, in spite of the 64½-cent specified price, is now actually cheaper than it has been, because of the 80 per cent advance in the price of new gold. It is unable to do the work in promoting domestic and foreign trade that is desired of it. Foreign exchange remains chaotic and grave difficulty has been experienced in devaluing the dollar, with its 95-cent gold content, in its relation to the pound and the franc. And the looked-for increase in wholesale commodity prices has failed to materialize. Silver sentiment is growing—it cannot be ignored in the world money problems.

Superior Court Judge Myron Westover has announced that he will file to succeed himself at the election in November.

How is this for a well-built highway? Inhabitants of the island of Crete built a road about 1500 B.C., that is still in such condition that an automobile may be driven over it as fast as 60 miles an hour, according to a report received by the Automobile Club of Southern California.

John R. Quinn, chairman of the Board of Supervisors, has coupled his political destiny as far as the race for governor on the Republican ticket is concerned, with C. C. Young, declaring he will not throw his hat into the ring if the former governor becomes a candidate. He will, he says, be a candidate if Young "chooses not to run."

THE BOARD OF DIRECTORS of Sierra Madre Savings Bank announces that at its meeting held March 13, 1934, Mr. Jack Paschall was elected President of the Bank.

It is the sense of the Board that it is particularly fortunate in having a man of Mr. Paschall's ability and wide experience on the Board and available for the Presidency at this time.

Mr. Hollingsworth, Vice-President, in whose ability and integrity the Board has the greatest confidence, will remain in active charge of the Bank.

The Board is authorized to state that for many years the late Harold E. Allen was the principal stockholder in the bank and that his stock will pass to his estate and be held in trust for his family.

Queen Of Roses To Be Leading Lady In Civic Players Show

Treva Scott, Queen of the 1934 Tournament of Roses, is to be seen as leading lady in the second production of the Pasadena Civic Players, March 29, at 8:30 p.m., at the Muir Tech Junior High School Auditorium in Pasadena. The play in which she will appear is the first performance of "The Roman," by Wilfrid H. Pettitt, a young Pasadena playwright. Another of Mr. Pettitt's plays, "Crumbling Walls," a mystery play, is now being presented by the Laguna Beach Playhouse.

Others in the cast of "The Roman" are Wilfrid H. Pettitt, Natalia Horoszky, Marvin Dean, Maurice Stanley, Rupert Brown, Arthur Dudley, Richard Burnham, Elizabeth Rees, Philip Ontott, Herbert Barton and twenty others.

The play is not a religious exposition, its theme merely being, as summed up in the words of Phryrus, the philosopher, "Times and customs might change, but man remains as the Gods make him—a human being with weaknesses. Beneath the mask of culture, he lives in darkness."

The first play presented by the Pasadena Civic Players, "Portia Sees," by Mina Maxfield and Lena Eggleston, was produced November 16, 1933, at the Huntington Hotel. It brought an enthusiastic response, encouraging the Players to plan a continuous calendar of productions which begins with "The Roman."

The depression, or something has slowed up the growth in population, according to the Scripps Foundation for Research. The gain for last year is estimated at 797,000. The population of the United States January 1, 1934, totaled 126,144,000, with a six percent gain—lower than any year except two since 1870. The Foundation figured births at 2,268,000, a total 110,000 lower than in 1932, and below any year since 1900. Deaths of 1,412,000 were about equal to a 25-year average. Growth will cease entirely by 1940, if the present pace keeps up.

Deficiency judgments cannot be collected until September 1, 1935, declared Superior Court Judge Gould in a decision upholding the law passed at last year's session of the legislature. Judge Gould cited the recent decision of the United States Supreme Court, which upheld the Minnesota moratorium law. The decision will estop a score of actions claiming that the new law interfered with the validity of contracts.

HOW TO GROW REALLY FINE CHRYSANTHEMUMS

CHRYSANTHEMUM culture is very much the same under all weather conditions, although there are certain methods of care necessary for best results. It has long been the custom of the majority of home gardeners to leave the old root clumps in the ground from one year to another. Such a practice tends to produce great numbers of inferior flowers and give no opportunity for soil preparation, which is essential, if satisfactory flowers are to be produced. In mild winter climates, especially, it is a great mistake to leave these clumps undisturbed, for the new growth starts in the early spring and becomes a wilderness of shoots and laterals by mid-summer.

Propagation of chrysanthemums is best achieved by cuttings. These may be made from new growth which springs from the old roots. Cuttings should be made preferably from terminal shoots and cut from 3 to 4 inches long. With a sharp knife make a horizontal cut just below a joint and carefully remove the leaves. Root them in clean, medium-fine sand, placing the cutting about two-thirds under the sand in a perpendicular position. Shade should be provided until the cuttings are rooted, then they may be transplanted to small pots and when they are well established, removed to the garden.

Garden plantings of "mums" should not be made until late

AVOCADO GROWERS WARNED HOUSEWIVES TURN TO OTHER FRUIT

California avocado growers were warned today that the continued lack of advertising is resulting in housewives turning to other fruits that are being appetizingly portrayed in various publications, according to Leigh H. Crosby of Lord & Thomas, advertising firm which handles national advertising for many prominent California fruits. This lack of advertising is a serious threat to the marketing of any large future avocado crop, as new market outlets cannot be created overnight.

Generally lower avocado market prices and returns for the first quarter of this season, compared with prices for a year ago, may be due largely to this lack of National consumer advertising. Mr. Crosby pointed out at a recent Calavo Growers Exchange meeting. However, Calavo members are receiving far more this season than they did a year ago, but this is due to greatly reduced Exchange costs, he added.

PITTSBURGHERS TO SPEND SUMMER HERE

Clarence Wood, of Saranac Lake, N.Y., son of Mrs. Robert Summersgill of North Lima street, has been visiting here for the past week. He plans to make California his permanent home. His wife and two children will join him soon.

Aliens Hit In Protest Of Veterans

Resolution Demands Registration And Deportation Of Undesirables

The Sierra Madre Post of the American Legion at its next meeting will pass upon a resolution approved by the 91st Division recently, which presents a six point program for control of undesirable aliens and restriction of alien labor.

Immediate deportation of all offensive aliens is strenuously advocated, as is the inauguration of a campaign to round up and deport all aliens who reside in California illegally. Particularly is it wished to rid the State of those who are actively agitating for the overthrow of the government by violence, and those who are now or who soon may be dependent on the public for support.

Registration of all aliens, with a requirement that they be photographed and fingerprinted and compelled to carry proper identification cards, is demanded in the resolution.

One of the most important demands brought out is that only 100 percent American labor be hired on all construction or other work, public or private, which is financed even in part by public funds. Lastly the resolution asks that skilled or unskilled alien labor on any work be limited to 5 percent.

Church Crowded At Funeral Services For Miss Webster

The attendance at the funeral services of Miss Lydia Webster, which were held in the Church of the Ascension on Friday afternoon, crowded the building to capacity. Many former residents of this city, who had been friends and co-workers of Miss Webster in various civic and church enterprises of the earlier days were present. There were many beautiful floral pieces and the vested choir sang two of Miss Webster's favorite hymns, the same she had selected for her mother's funeral a few years ago—"Now the Laborer's Task is O'er," and "The Strife is O'er, the Battle Done."

Dean Bode, who officiated, paid a short but very touching tribute to the beauty of life and character of Miss Webster. He referred to her great devotion to her church and its work, the sincerity and simplicity with which she carried the tenets of her religion into her daily life, and her countless acts of charity and helpfulness to those in need. He concluded by saying he believed her life could be best summed up in the words, "She went about doing good."

HORSE SHOE CHAMPS TO GIVE EXHIBITION

Mrs. Ada Veale Player, violinist of Pasadena, will assist Dean Bode next Sunday at the Twilight Organ Recital, Church of the Ascension at 5 p.m.

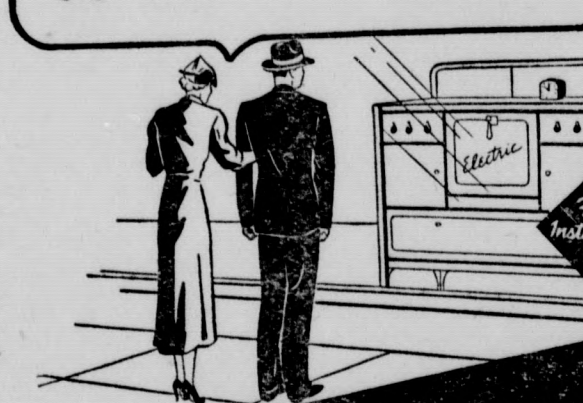

nated March 17 as Library Day. This is the beginning of a campaign of giving and collecting books, which will extend over a period of several weeks. Books wear out and readers increase. This is markedly true of children's books. Anyone having books to spare may leave them at Olsen's Shoe Store. A cash prize of \$100, to be used in the purchase of children's books, will be awarded, at the Miami convention, to the unit which has the most outstanding accomplishment in Library work this year. Every unit can take part in this contest and a small unit may be the winner.

A community service program is planned for our next regular meeting, March 22, to which the officers of all other organizations in the city will be invited. The manufacture and sale of poppies each year is a vast business project carried on by the American Legion Auxiliary. Many thousands of dollars must be borrowed to pay for the materials used, and pay the weekly wages of the men who make them. The completed flowers must be distributed to the units, and any expense incurred in promoting the sale must be borne by the Auxiliary before any revenue is derived from the sale of the poppies. And the expense for poppy dresses and other aids to the sale of the flowers, is never repaid into the unit treasury. It cannot be repaid from receipts of poppy money, because the money so received must be accounted for according to rigid rules. For every poppy, four cents must be sent to department. Three cents goes to the veteran who made the flower, and one cent pays the expense incurred by department for material and distribution. All money received in excess of four cents, goes into direct relief for disabled veterans and the dependents of the dead and disabled.

Senior officers and mothers of juniors and of girls eligible to become A.L.A. Juniors, are especially urged to be present at the initiation of a class of eight new Juniors, tomorrow at 2 p.m. Any other visitors will receive a cordial welcome.

A. L. A. Activities

By Minnie Stinman

THAT the Auxiliary is taking its inter-unit visiting very seriously this year is evidenced by the number of visitors at every unit meeting. On March 8 we were glad to welcome 17 guests, representatives of Azusa, City Terrace, South Pasadena, and Wilmar. The latter is a new unit, which will hold its initiation to assist with the program. District 18 has gained three new units this year, San Dimas, Altadena and Wilmar. District meeting will be on Tuesday, March 20, at City Terrace. Initiation of candidates from various units will be a feature of this meeting.

Economic conditions present an unparalleled opportunity for the American Legion Auxiliary to fulfill its avowed purpose of "individual obligation to the community, State and Nation." With 2600 schools already closed for lack of funds, and the same fate threatening 26,000 more of our public schools, the importance of library facilities for these children cannot be over-estimated. The part that good books play in the life of the child, is recognized by the Auxiliary, which has designed

Eviction Of Soldiers Is Denounced

Assemblyman Martin Assails State Board For Action On Home Loans

Protesting vigorously against the recent decision of the State Division of Veterans' Welfare in which wholesale foreclosures and evictions of veterans is threatened, Assemblyman F. G. Martin has addressed the following communication to John P. Brennan, chairman, State Division of Veterans' Welfare, at Sacramento:

"On more than one occasion I have communicated with you heatedly about proposals of your board to foreclose summarily on deserving veterans in my Assembly District and to take from them homes for which they have contracted under your board. You have been generous enough in each instance to modify your decisions in these cases and give the veterans a fair chance to retain their homes and pay for them as they can.

"I was shocked, not to say indignant, to read of the action of your board, at your Fresno meeting, automatically to cancel veterans' home contracts when the accumulated delinquency equaled three monthly payments, or approximately \$100. This, I understand, affects some 2,000 veterans. Frankly, I glory in the spirit of George Stout who resigned as secretary of your board, in protest against such a high-handed, cold-blooded policy. I want to subscribe 100 per cent to the sentiment expressed by Mr. Stout in resigning, in these words:

"In this period of emergency I consider it a rank injustice to the California service men to enforce regulations which are arbitrary and unwarranted and which will bring tragedy and despair into the homes of many hundreds of veterans purchasing homes under the Veterans' Farm and Home Purchase Act at this very time when the Federal Government is spending billions of

Runaway Boys Elude Police Of 12 States; Arrive In Chicago

Roe Wagner and Lynne McCray, two fifteen-year old Sierra Madre boys who some weeks ago set out to see the country in a rattle-trap model T Ford, managed to arrive safely in Chicago unmolested by the police of a dozen states who had been notified to be on the lookout for them.

Saturday young Wagner's parent's received a telegram from the Eastern city which stated their son and his boy friend were visiting his grandmother—and concluded: "Don't worry."

Job's Daughters To Exemplify Ritual

Sierra Madre Chapter is planning a treat for its members, all visiting Eastern Star members, Masons, women eligible by reason of Masonic affiliation, and daughters of the foregoing between the ages of 13 and 20 next Monday night at 8:30 at the Masonic Temple when the Monrovia Bethel of Job's Daughters will exemplify their ritual. This is a junior organization of girls similar to the De Molay of the Masonic order and should be of interest to parents with eligible daughters.

dollars under the Home Owners' Loan Corporation to save home owners throughout the Nation from loss of their properties. "To evict veterans, as your board is proposing, would be cruel, inhuman, shamefully unjust and unjustifiable under any law or rule. I could not conceive of a sound administrator like Allen B. Bixby, who preceded you in the office you now hold, countenancing any such high-handed policy for a moment.

"May not the deserving veterans and their friends throughout the State, expect a 'square deal' from your board? In ordinary transactions in private business lenders of money are much more lenient and considerate of borrowers than is indicated in this latest action by your board."

Miss Doris McCreary, of Pasadena, was guest of Miss Mildred Orme, on Thursday.

Mrs. Josephine E. Marr, of East Central avenue, has returned from a visit with her cousin in San Diego.

Cora I. Petrick, of Seattle, Wash., has moved to Sierra Madre and is located at 39 North Lima street.

Mrs. Carolyn J. Camplin is spending two weeks with the Everetts at El Casa De La Vista, 68 Vista Circle Drive.

Ewald Krier, of Los Angeles, is visiting his grandparents, Mr. and Mrs. D. Krier, of North Auburn avenue, for a month.

Mrs. Pat Wastun, of South Baldwin avenue, was taken to Los Angeles General Hospital on Monday for an operation.

Mrs. E. Frank Read, of Glendale, has been spending several days with her sister, Mrs. M. R. MacDowell, of Belle Vue Court.

Martin Olsen, of Seattle, Wash., visited relatives in town on Tuesday. He will visit his daughter in Glendale for a short time before returning to his home.

Fire Flames

By one of the boys

NEARLY all the firemen were on the parking lot at the Wistaria vine on Sunday and have many stories to tell of the attitude of the visitors toward the Fete. Some few come out disgruntled, but there are so many that are really pleased that the grumblers hardly count.

The music of the announcing car that visited us Sunday had the "parkers" stepping high and the fellows went through the motions of a stage show of chorous men. Our old friend Louie was stepping over the lot so gracefully that a strange lady asked him for the next waltz. And to be sure they danced, much to the pleasure of the many who witnessed the exhibition.

Also the visitors were not as many as some of us had expected for such a beautiful day, we are not discouraged. A week ago, an out-of-town ambulance had occasion to come to Sierra Madre, and as it left the town, the driver had the siren wide open. It was in the wee hours of the morning and all the firemen heard it. We learned that Don Hosford even ran to the City Hall, thinking there was a fire. It was with difficulty that Chief Richards (who was on duty at the station) stopped Don from starting the truck.

And now since spring is here, the weeds and grass are growing fast. The obnoxious and hazardous growth should be kept down, before it gets a chance to dry. One look at our fine watersheds and to think of what could happen to it from a fire should convince us that we cannot be too careful.

The Chief has signs posted about the Wistaria Grounds, reminding smokers to be careful. Our own people here are well aware of the danger of fire, but newcomers from other states do not yet realize the ever present menace.

JUNIOR WOMEN AT VALLEY CONFERENCE

The Alhambra Juniors were hostesses at the Los Angeles District Conference of the Junior members of the California Federation of Women's Clubs in the Alhambra Woman's Clubhouse on Monday evening. Mrs. John H. Robertson of Sierra Madre, district chairman of Juniors, presented the speaker of the evening, Mrs. Rebecca Earl.

Sierra Madre Juniors were represented by Evelyn Brain, Mary Frances Brain, Irene Midgough, Jane Holland, Cricket Calkin, Ruth Klunk, Madeline Loomis, Ruth Wheeling, Marian Daily, Evelyn Solary and Billi Dale.

LUCKEY BALL IMPROVES FOLLOWING OPERATION

Luckey D. Ball, former proprietor of the Sierra Madre Hotel, now residing at 381 Mariposa avenue, underwent an abdominal operation at the Pasadena Hospital on Monday afternoon. Mr. Ball's many friends will be pleased to know that his condition is reported to be very favorable.

New Sturtevant Road Bridge Will Resist All Floods

Nearing completion, the Sturtevant Road bridge in Sierra Madre Canyon east of the intersection of Sturtevant Road and Woodland Drive, will be one of the most modern bridge structures in the county. With a 20-foot road clearance, modern concrete construction throughout, the bridge will be impervious to any flood assault and provide ample room for canyon traffic.

Construction has been under way by the county for three weeks. Several local men have been employed.

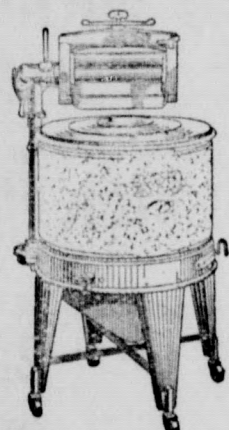

Ewald Gernschieid, of Los Angeles.

Mrs. Lillian Hobbs, of 161 East Grand View avenue, returned home from the hospital on Saturday evening. Her friends are pleased to learn that she is progressing satisfactorily.

Sunday guests at the homes of Mr. and Mrs. D. Krier and Mr. and Mrs. W. J. Schiltz were Mrs. Sally Boughman, Miss Imo Boughman, Fred Fishbaugh, Pier Kaff, Mary Kaff and Ludvian Kaff, of Hollywood.

A wiener roast was enjoyed on Monday evening by members of the Crusaders and their friends in Bailey Canyon. Rev. Daisy Van Niekerk, Mrs. Roy Berry and Claude Harriman chaperoned the group.

Marchers To Cast Easter Offering Into Melting Pot

An indoor picnic in the social hall of the Congregational Church will climax the sectional meeting of the church next Friday evening, March 23. An interesting program has been arranged by a committee consisting of Waverly Pratt, Mrs. Fred Hooker Jones, Mrs. Conyers Twycross, and Mrs. G. B. Morgridge. In conclusion there will be a grand march, at which time there will be an Easter offering accepted. Couples will march past a melting pot into which they will cast old pieces of silver and gold trinkets, silver coins, and other small valuables. Those unable to attend may contribute their share to the "melting pot" at Hartman's drugstore at any time during the week.

City's First 5 And 10-cent Store Will Be Opened Today

Sierra Madre's first five and ten cent store opens tomorrow under the management of O. B. Fowler at 26 West Central avenue. Because of Mr. Fowler's connection with the largest syndicate of collective buying in the country, local residents will be afforded the opportunity to purchase exceptional varieties of small articles at prices heretofore exclusive to larger metropolitan areas. All merchandise will be reasonably priced, with prices ranging up to a dollar.

of millions of single men in aggregate.

A number of visitors from Alhambra and adjoining towns joined the local clubmen under the vine. Franklin Keene, field representative of the Kiwanis International, spoke briefly on the hospitality of the local club, while Eugene Nixon, lieutenant governor of the 10th district, presented membership buttons and Kiwanis booklets to A. M. Morse and George Rikeman, newly admitted members.

At the conclusion of the meeting, the Board of Directors conferred with Lieutenant Governor Nixon on a new membership plan which is intended to substantially increase the club attendance and gain new and worth-while members.

Throughout the luncheon and program guests and members were entertained by Spanish music furnished by the De Larios Troubadors of Olvera street.
